Our Volunteers Are The Best!

Our pantry is a bit different than other pantries for several reasons. Today I want to highlight our volunteers. We are run 100% by volunteers. That means people take time out of their day (or days) to serve others without expecting anything in return. Working alongside these dedicated volunteers is one of the greatest joys in my life! It takes so many volunteers to get everything done each week and we are blessed with the best! We continue to run a drive thru service and we have gotten it down to a science! We continue to serve about 250 households each Wednesday, and that wouldn't be possible without these dedicated people! Volunteers handle everything from picking up rescued food, sorting and date checking, packing food to be distributed, running the car lanes, recording the numbers, pushing a cart, loading cars with food, and cleaning up after. Thank you to ALL who continue to show up! You are seen and appreciated! If you would like more information on how you can volunteer, send us an email. ~ Shannon Howley, Executive Director

VOLUNTEER SPOTLIGHT!

We have so many dedicated volunteers and we hope to spotlight each and every one! Meet Tracee and Kuofeng. They started helping at the pantry in April of 2020 when the pandemic hit and continued throughout summer with their two young boys, Tucker and Kaiser. They serve in a few different positions here including picking up food from area grocery stores, patron lead counter and directing traffic during distribution. When asked why they help at the pantry Tracee responded, "We don't have family in Wisconsin and the pantry volunteers have really embraced us, making us feel like one big family". They both agreed that they are so proud to be a part of this pantry that Shannon has built and enjoy helping people in a time of need.
